

## *Code of Behaviour*

The code of behaviour of St. Eithne's G.N.S. reflects the vision and values of our school and its patron. It translates the expectations of the school community into practical arrangements, routines and procedures which ensure that the aims of our code are implemented & that the particular needs and circumstances of our school and community are met.

### *Aims.*

The aims of our Code of Behaviour are as follows:

- To foster an orderly, harmonious school where high standards of behaviour are expected, explained, understood and supported.
- To help create a positive learning environment in which all pupils can benefit from the education system and achieve their personal best.

### *Principles Undermining Our Code*

- Every effort will be made to ensure that our code is implemented in a reasonable, fair and consistent manner and that all members of staff adopt a positive approach to the question of behaviour in the school. Differences amongst our pupils e.g. S.E.N. pupils will be acknowledged.
- A whole school approach will be adopted. This requires a strong sense of community within the school and a high level of co-operation and sense of ownership from all the stake holders – B.O.M. teachers, parents, pupils and ancillary staff.

## *General Expected Behaviour*

Children will be reminded continuously of this behaviour in class, through homework journal, assembly time ,SPHE, Alive O and circle time etc.

### **Responding to Inappropriate Behaviour.**

### **Sanctions/Behaviour Checks.**

In order to facilitate the smooth running of the school and to ensure the safety of all, and to maintain an orderly atmosphere for learning, sanctions/behaviour checks must and will be imposed where inappropriate behaviour occurs. It must be clear why the sanction is being applied and what changes in behaviour are required to avoid future sanctions. When sanctions are used pupils should understand that what they have done is not acceptable and that it is the behaviour that is rejected not the child. Incidents of inappropriate behaviour are categorised according to age level and the nature of misbehaviour.

### **Class Rules.**

In St. Eithne's class rules reflect the appropriate expected behaviour of the different age levels. Thus we have separate class rules for our Junior pupils (2<sup>nd</sup>, 3<sup>rd</sup>) and our senior pupils (4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>).

## Code of Behaviour – Senior Classes

### Positive Behaviour:

This is behaviour which exceeds the expected behaviour for the pupil's class level.

### **Incentives to encourage positive behaviour:**

In 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> classes incentives such as homework passes, small stationary prizes, stickers/stamps/tokens are given to encourage pupils to take pride in their work and in their behaviour.

In 6<sup>th</sup> class the incentive system incorporates behaviour, good work and participation in class in order to ease transition to secondary school.

Displays of positive behaviour and outstanding work will be considered for a Principal's Award.

### **Rewards for positive behaviour:**

Enjoyable and educational class trips will be arranged twice a year for those who have not once been sent to the office.

### **Senior Class Rules:**

The following rules are a reflection of the expected behaviour for senior pupils.

- Full participation and effort must be made in every aspect of your work, both in school and at home.
- All pupils must display a respectful attitude and use respectful language to all pupils and staff.
- Keep your skin make-up free.
- If it is essential that you have your mobile phone in school, it must be kept switched off and given to your class teacher at the start of the school day.
- It is the responsibility of senior pupils to remain with their class group at all times, unless given specific permission to be elsewhere.

- Correct uniform must be worn; scarves, large jewellery and inappropriate footwear are not part of the uniform.
- Pupils must accept responsibility for their behaviour, accept correction when given and the consequences which may follow their behaviour.

**Examples of misbehaviour:**

<b>Yellow</b>	<b>Orange</b>	<b>Red</b>
Persistent class disruption	Verbal aggression towards peers	Threat of/physical violence towards peer
Persistent inattention in class	Showing disrespect to staff	Use of inappropriate language
Careless work	Passing notes	Taking/damaging property of another
Poor attitude	Copying	Behaviour which endangers self or others
Unexcused wearing of incorrect uniform	Wearing make-up	Verbal aggression towards staff members
Unexplained lack of homework	Chewing gum	Involvement in physical fighting
	Not handing up mobile phones to the teacher	Evidence of truancy
	Lying	

**Sanctions Imposed for Misbehaviour:**

If a pupil displays three *yellow*, two *orange* or one *red* form of misbehaviour in one term, the following sanctions will be in place:

1. The pupil will be sent to the principal's office

2. They will be given a penalty sheet by the principal
3. A letter will be sent home to their parents, informing them of their daughter's behaviour.
4. Three red cards will be considered for suspension.
5. In certain circumstances, upon receiving a red card, a child may be removed from her class.

## **Suspension**

### **Examples of Gross Misbehaviour which may warrant suspension.**

1. Aggressive, violent behaviour towards a pupil/teacher.
2. Leaving school premises during school day without permission.
3. Bringing dangerous weapons to school.
4. Deliberately damaging or setting fire to school property.
5. Deliberately leaving taps/fire hose turned on.
6. Being in possession of alcohol/drugs

## **Suspension.**

The decision to suspend a pupil will only be considered when the following interventions have been tried and haven't been successful.

**Stage 1.** Teacher discusses unacceptable behaviour with pupil plus the consequences if the behaviour continues. Class sanctions are implemented and parents and principal are informed.

**Stage 2.** Pupil is sent to Principal and parents are again informed. Pupil given a penalty sheet. If this occurs 3 times pupil moves to stage 3.

**Stage 3.** Meeting with parents. Pupil put on report for 1 week. At the end of week, behaviour is reviewed and hopefully inappropriate behaviour ceases. A pupil will only be put on report 3 times in a school year. If this intervention is unsuccessful pupil moves to stage 4.

**Stage 4.** Suspension is considered.

Factors which will influence decision are as follows:

- The nature and seriousness of the behaviour.
- The context of the behaviour.
- The impact of the behaviour.
- The interventions tried to date.
- Whether suspension is the appropriate response.
- The possible impact of the suspension.

The decision to suspend requires serious grounds such as that:

- The pupil's behaviour has had a seriously detrimental effect on the education of other pupils e.g. shouting at teacher, being disruptive, refusing to work, not allowing others to work, taking up teacher's teaching time due to inappropriate behaviour.
- The pupil's continued presence in the school at the time constitutes a threat to the safety of pupils/teachers e.g. physical fights in school yard, leaving school premises without permission, serious consistent incidences of bullying or racism, use of bad language to any member of school community.
- The pupil is responsible for serious damage to property e.g. setting fire to the school, deliberately leaving taps turned on.

A single incident of serious misconduct may be grounds for suspension.

### **Procedures to be followed in respect of suspension.**

School's behaviour Committee will convene a meeting. The committee will comprise of the Principal, Deputy Principal and class teacher.

Fair procedures based on the principles of natural justice will be followed, these procedures apply to:

- The investigation of alleged behaviour that may lead to suspension.
- The process of decision making as to whether the student did engage in the misbehaviour and what sanctions to impose.

Once the preliminary investigation confirms that the behaviour warrants suspension

- Parents and pupils will be informed about the complaint. This will be done by phone or in writing, visit by H.S.L.T.
- They will be given an opportunity to respond. A meeting will be organised to facilitate same.

In the case of immediate suspension, parents will be contacted re. the collection of their daughter.

### **Period of Suspension.**

Parents can appeal both the Principal's and B.O.M.'s decision to suspend a pupil. Should the pupil be suspended for a total of 20 days in the year, parents may appeal the decision under Section 29 of the Education Act and facilitated to do so if so required.

### **Implementing the Suspension.**

The Principal will notify the parents and the pupil in writing of the decision to suspend. The letter will confirm:

- The period of the suspension.
- The reasons for the suspension.
- The study programme to be followed.
- The arrangements for returning to school e.g. commitment re. adhering to Code of Behaviour, special contract or pupil report card for 1 week.
- Provision for appeal.

### **Reintegration of Pupil.**

The school will make every effort to help student to catch up with work missed. An opportunity to discuss feelings will be facilitated by the school's life skills coach. The pupil will be given the opportunity and support for a fresh start.

### **Records and Reports.**

Formal written reports are kept re: the following by the Behaviour Committee

- The investigation.
- The decision and rationale for same.
- Duration and any conditions attached to suspension.

All suspensions are reported to the B.O.M. and to N.E.W.B.

### **Expulsion.**

The decision to permanently exclude a pupil from St. Eithne's G.N.S. will be made solely by the B.O.M. Expulsion is a very serious step and is only taken in extreme cases of unacceptable behaviour and only after the school has taken significant steps to address the behaviour. These steps include the following:

- Meeting with parents and pupil to explore ways of helping pupil change behaviour.
- Making sure that the pupil understands the possible consequences of their behaviour, (if it should persist).
- Ensuring that all other possible options have been tried.
- Seeking the assistance of support agencies e.g. National Educational Psychological Service (NEPS), Health Service Executive Community Services (HSE), National Behavioural Support Service (NBSS).

The grounds for expulsion and the factors which need to be considered are similar to those for suspension, however where expulsion is concerned the school will already have tried a series of other interventions including suspension which unfortunately haven't changed the pupil's behaviour.

### **Expulsion for a first offence.**

The following kinds of behaviour may warrant such expulsion.

- A serious threat of violence against another pupil or staff member.
- Actual violence or physical assault.
- Supplying of drinks/ drugs.

### **Procedures in respect of expulsion.**

#### **STEP 1**

A detailed investigation carried out under the direction of the Principal.

- Pupil and parents to be informed in writing re. the details of the alleged misbehaviour, how it will be investigated and that it could result in expulsion.
- Parents and pupil will be invited to a meeting and given every opportunity to respond to the complaint before a decision is made.

#### **STEP 2**

**A recommendation to the B.O.M. by the Principal to consider expulsion.**

- The Principal will inform parents and pupil that the B.O.M. is being asked to consider expulsion. They will be given ample notification of the date of the hearing and invited to attend. They will also be advised that they can make a written or oral submission to the B.O.M.

#### **STEP 3**

**Consideration by the B.O.M. of recommendation and the holding of a hearing.**

- The B.O.M. will be provided with the same records re. investigation as the parents. The B.O.M. review the initial investigation and satisfies itself that fair procedures were upheld. It reviews all documentation. If the B.O.M. decides that an expulsion is warranted it will hold a hearing. At the hearing the Principal and parents put their case to the Board. After both sides have been heard they leave the hearing to allow the B.O.M. make its decision.

#### **STEP 4**

##### **B.O.M. deliberations and actions following the hearing.**

- Having heard from all the parties it is the responsibility of the B.O.M. to decide whether or not the allegation is substantiated and if so whether or not expulsion is the appropriate action. The Board informs the parents re. its conclusions and the next steps in the process e.g. notification of decision to the Educational Welfare Officer.
- If B.O.M. deems it necessary to expel the pupil the NEWB will be informed in writing by using A Notice to Expel Form. The intention to expel a pupil does not take effect until 20 days have elapsed after NEWB have received written notice. This allows the Educational Welfare Officer time to intervene before the decision takes effect.

#### **STEP 5**

##### **Consultations arranged by the Educational Welfare Officer during 20 day period.**

- Individual consultations with all concerned where feasible.
- Arrangement of joint meeting of all concerned.

The purpose of the consultation and meetings is to ensure that arrangements are in place for the pupil to continue in education. The B.O.M. may suspend the pupil during this process if there are concerns that the continued presence of the pupil will seriously disrupt the learning of others or represent a threat to the safety of other pupils and staff.

#### **STEP 6**

## **Confirmation of the decision to expel.**

Parents will be notified immediately by the B.O.M. and informed re. their right to appeal the decision to expel. The standard appeal form will be given to parents. A formal record of the decision to expel will be made.

### **Appeals.**

Parents may appeal the decision to expel to the Secretary General of DES. The appeals process under Section 29 of the Education Act 1998 begins with the appointment of a mediator. An appeal may also be brought by NEPS on behalf of the pupil.

### **Procedures re. the notification of a child's absence from school.**

Under the Education and Welfare act 2000 schools are required to monitor school attendance and report on pupil attendance in certain circumstances. The school reports 4 times a year to the national Education and Welfare Board which was established to support school attendance and follow up on children who are not attending school regularly.

### **When does a school report to the N.E.W.B.?**

The school report when

1. A student is absent for 20 days or more.
2. The Principal is concerned about a student's attendance.
3. The B.O.M. decides to expel a student.
4. A student has been suspended for 6 days or more.
5. A student's name is to be removed from the school register for whatever reason e.g. a student moves to another school.

### **Strategies to encourage good attendance.**

St.Eithne's school has put the following strategies in place to foster an appreciation of learning and good attendance.

- When the class achieves full attendance for the week, the class will gain a homework pass.

- Special certificates and prizes are given to children who achieve full attendance for each term. Their names are posted up on the notice board beside the Principal's office.
- Full attendance for the year is especially acknowledged.
- Pupils who are absent 1 day per term will also be acknowledged.

### **Role of Parents.**

- Parents must write a note of explanation for all absences. The school will accept telephone communication concerning a child's absence, however a written note is preferred.
- The class teacher takes a roll call at 9.45a.m. Pupils not in attendance by then are marked absent. Teachers legally cannot change an absent indicator to a present indicator.
- Medical certificates should be passed on to school.
- The reason for the absence is then noted.
- Do not take holidays during school term as they count as absences from school.
- Make sure your child understands that you do not agree with her missing school unless it is for a valid reason.

### **When are parents contacted by the school?**

- If the pupil is at risk of developing school attendance problems.
- If the pupil had missed 15 days.
- If the parents fail to explain a pupils absence.
- If the pupil is regularly late for school.
- If the pupils name is been passed on to N.E.W.B.

Attendance records of children who transfer to another primary school will be passed to the Principal of the school as soon as notification of transfer has been received.

Attendance records of children who transfer to St. Eithne's School will be sought from previous school.

Attendance records of pupils transferring to Second Level schools will be sent to the school as soon as enrolment has been confirmed.

**Agreement**

**On enrolment parents/guardians will sign a copy of this agreement.**  
**It will be kept in pupil's file.**
